We accept no liability whatsoever in respect of the achievement of such forward-looking statements and assumptions.

In connection with the Offering, China International Capital Corporation Hong Kong Securities Limited and Helvetische Bank AG (or any of their affiliates or any third person acting on their behalf) will act as stabilization managers (the "Stabilizing Managers"). The Stabilization Manager may, in accordance with the applicable legal provisions (in particular Article 126 of the Swiss Financial Market Infrastructure Ordinance), effect transactions with a view to relieving a potential selling pressure by supporting the market price of the GDRs at a level higher than that which might otherwise prevail in the open market (the "Stabilization Measures"). Such Stabilization Measures can be taken from the commencement of the trading in the GDRs on the SIX Swiss Exchange and must be brought to an end no later than 30 calendar days after that date. The Stabilization Managers do not have an obligation to take Stabilization Measures. Therefore, there can be no assurance that Stabilization Measures are effected. Such Stabilization Measures, if commenced, may be discontinued at any time without prior announcement. Stabilization Measures may lead to a higher trading volume or market price of the Shares than would otherwise prevail. Furthermore, the trading volume or market price may temporarily attain a level that is not sustainable in the long-term.
